6.	Mubin Azam	Student	Student Member	A09459173
7.	Mohammed Jawad Gias	Student	Student Member	B00882872
8.	Tamal Barua	Student	Student Member	A15880113

The university does not have any objection to their foreign visit to the **United States of America** with effect from **23rd May 2026** to **3rd June 2026** for this prestigious competition. Following their return from the competition, the students are expected to continue their academic program to fulfill their graduation requirements, whereas the concerned faculty members will assume their usual responsibilities. This university highly encourages the participation of this team and has provided all required support for logistics aspects related to the development of the Mars Rover for the competition.

Should you require any further information, please feel free to contact us at contact@aaub.edu.bd or +8801769995054.
